MAY WORKS HARD FOR HARVARD GAME

Midshipmen Are Determined to Avenge Their Last Season's Defeat by the Crimson.

Practice at the Naval Academy this week continues to be inspired with the one idea of winning from Harvard on Saturday, if possible. Wednesday afternoon a spirited battle with the scrubs took the place of the University of Maryland game, which had been canceled, and the scrubs were helped most of the time by Howard and Douglas, former Navy stars, and now of the coaching staff. The latter gave the regulars a chance to diagnose some of Harvard's favorite plays, particularly the formation in which two of the backs stood ready to receive the ball, a punt, no as to keep the opponents in doubt as to which will receive it. The two ex-players also tried some long end runs and forward passes from this formation, but were not able to make much headway. However, they kept the regulars from running up a score.

But one score was made in the fifteen minutes of play, a touchdown after a twenty-five-yard run by Lange. Several of the regulars took a rest this afternoon.

Reinicks was substituted for Meyer at left guard, and the ends were cared for by Cobb and Bischoff, Hefersider and King being on the side lines. Right half was occupied for a time by both Clay and Edson, it being a matter of doubt as to which will finally fill the place.

There was a rumor that President Roosevelt might come over from Washington to see the representatives of his alma mater and his youthful naval wards contest, but it was learned afterwards that his visit was unlikely.

SECOND TEAMS PLAY

The second teams of Richmond Academy and McGuire's School met on the Broad Street park gridiron yesterday evening and played one of the most stubbornly contested games of the season.

Neither side was able to score in the first half, and the ball seceded up and down the field for twenty minutes without any decided advantage being gained by either eleven.

In the early part of the second half the Academy boys carried the ball to the McGuire ground line, but failing to make the goal in two trials, Gilman was sent back to try a field goal. Failing back to the fifteen-yard line, he dropped a beautiful goal square over the cross bar, scoring the only points of the game, and winning the contest for the Academy.

During the latter part of the game the ball went first to one side and then to the other, and neither side was able to carry it over the other's goal line. The game ended with the score 4 to 0 in favor of the Academy.

For the Academy, Gary was the most consistent player, gaining while Jones's line plunges the McGuire's largest gains were due. Both teams played strong, defensive games, meeting each other's attack with hard tackling and close holding on the part of the line. The line-up: Academy, Tompkins, left end; Barnes, left tackle; Johnson, left guard; Floyd, left half back; C. Taylor, right half back; Brown, right guard; Miller, right tackle; Marshall, right half back; Gwatkin, right end; K. Taylor, Saunders, quarter back; Perkins, T. Scott, full back; Jones, full back; Hartell, right half back; Gilman, time of halves, 20 and 15 minutes. Goal from field, Gilman. Referee, Cooke. Umpire, Miller. Head linesman, Gruner.

MAY BE MUCH BETTING.

Action Against Latonia Will Probably Drive Many Bookies to Philmore. With the Latonia betting barred, Baltimore horsemen are asserting that Philmore, which opens Saturday, will get much more business in the betting. That the meet will be good is shown by crowded stables and many well-known strings in sight. Billy and Woods Garth, N. K. Beale, P. H. Sullivan, James Boden, "Eddie" Murray, J. McMurphy, and several others came in to-day.

One of the features for the opening day is the Baltimore Club cup, at six furlongs, for gentlemen riders, at thirty pounds, above the scale, the rider of the winner to receive a piece of plate presented by the Maryland Jockey Club. This should bring out a good field of starters, and will afford an opportunity for such skilled amateurs as "Tommy" Wright, the Tucker boys (John, Evans and Harry), of Philadelphia; George and Randolph Nicholas, Jervis Spencer, Jr., "Bob" Taylor and others.

RIVAL TROTTERS TO MEET.

Jack Leyburn and Locust Jack Matched for Big Race in Philadelphia.

One of the most important match races ever arranged for Philadelphia was made Wednesday, when Jack Leyburn, 2:04 1/4, owned by Senator James P. McNichol, and Locust Jack, 2:07 1/4, which has been one of the closest rivals McNichol's trotter has met during the season down the Grand Circuit, were matched to meet at Point Breeze track on Thursday, October 29th.

Jack Leyburn was secured several days ago, and Wednesday Frank Wilkes, of Ticonderoga, N. Y., was seen in Baltimore, representing Locust Jack. After the latter won the first heat against Wilkes Heart and Zaza, breaking the track record at Baltimore, the match race with Jack Leyburn was closed. The trotters will race for a purse of \$1,000, best three in five heats. Locust Jack will be shipped to Point Breeze as soon as he is through racing at Baltimore.

MISS HARLEY WINS FROM MISS CURTIS

Defeats National Champion 3 Up and 2 to Play—Picked for Winner.

WASHINGTON, D. C., October 22.—The victory of Miss Katherine C. Harley, of the Fall River (Mass.) Golf Club, over Miss Margaret Curtis, national golf champion, by a score of 3 up and 2 to play, featured to-day's matches in the third round of the women's national golf championship contests on the Chevy Chase Links. Miss Harley outplayed Miss Curtis from the first tee, taking the first four holes in succession by her excellent putting. Miss Curtis, however, accomplished a sensational feat when she made a drive of 267 yards at the seventh hole.

Another surprise of the day was the match between Mrs. Caleb P. Fox and Miss Georgia Bishop, which the former won by 3 up and 2 to play. Miss Harley has been picked out as a probable winner of the national championship.

SUNDAY BALL FIGURES IN MAYOR'S CAMPAIGN

The question of Sunday baseball has suddenly become the principal issue in the mayoralty campaign of Plainfield, N. J. The Democratic candidate, J. F. Skelton, a member of the Plainfield Country Club, and recently cast his vote, with others, to amend the constitution of the organization to permit Sabbath golfing.

The Democrats, quick to see their opportunity of making the Mayor come out for Sunday baseball or appear inconsistent, put out the following petition, which was presented to the Mayor yesterday, with the names of several hundred prominent citizens affixed:

"We, the undersigned, seeing that you are in favor of Sunday golf, ask you for a permit allowing us the privilege of Sunday baseball playing, as we see no more harm in that than in Sunday golf."

YALE SWIMMING POOL

When the Carnegie swimming pool is finished next February, as the contract says it must be, Yale will have one of the most complete pools in the country. It will be built on a beautiful site, and the designers and contractors have had to figure extremely close to get within the appropriation. There was no money for the pool until the pool will be a good one, and one which should meet the needs of the university for many years of growth.

The pool, which will be 75 feet long, 30 feet wide and of an average depth of 7 feet, says the Yale Alumni Time of halves, 20 and 15 minutes. Goal from field, Gilman. Referee, Cooke. Umpire, Miller. Head linesman, Gruner.

MELLOR WINS LONG DISTANCE RACE

Defeats Daly, Ten-Mile Champion, by Three Minutes in Fifteen-Mile Marathon.

Samuel H. Mellor, Jr., running in the colors of the Mercury Athletic Club, of Yorkers, won the fifteen-mile Marathon race, over a course laid out around Newark, Wednesday, in one hour and forty-seven minutes. Second in the big field of 167 starters was John J. Daly, of the Irish-American Athletic Club, the ten-mile national champion. Mellor was three minutes ahead of Daly, and the latter finished the distance a minute and a half before the third man, James Clark, of the Xavier Athletic Association, of New York.

An enormous crowd saw the race at various stages, many thousands being present at the starting point. James E. Sullivan, president of the Amateur Athletic Union, was the referee, and Mayor Haussling, of Newark, was one of the judges. Before the race John J. Hayes, who won the Marathon race at the Olympic games, gave an exhibition one-mile run.

RANDOLPH-MACON IS WORKING HARD

Lemon and Black Eleven Preparing for the November Eastern Virginia Championship Series.

[Special to The Times-Dispatch.]

ASHLAND, VA., October 21.—Randolph-Macon has an easy schedule for the next three weeks, and Coach Warren, taking advantage of the fact, is spending several days in Charlottesville, looking over the coaches with the Virginia squad.

On Saturday Randolph-Macon will play the Richmond Howlers here; on the 31st they have a game scheduled with the Medical College of Virginia on the gridiron, and on November 7th they play at the College in Ashland. All these games should be comparatively easy for the strong Yellow Jackets, and should leave the Lemon and Black eleven in good condition for the three championship games which follow.

On November 14th Randolph-Macon plays her first championship game, meeting the strong William and Mary eleven, which they defeated last Saturday in Petersburg by a small score. This contest promises to be Randolph-Macon's hardest fight in the four-cornered Eastern Virginia championship.

The second championship game will be played in Petersburg on the 21st with the Hampden-Sidney eleven, and the final game will take place in Richmond on November 28th, when, in the last contest of the season, Richmond College will have a chance to get back at Randolph-Macon for their defeat here earlier in the season. This is always one of the most hard-fought contests in the State, and always draws a big crowd of spectators.

From present indications it looks as if Randolph-Macon had the best chance of landing the cup, but one can never tell what is going to happen in the football world.

Randolph-Macon is working hard developing new plays, perfecting the old ones, and the men are in first-class condition. When the championship games are played the student body is confident that their team will give a good account of itself, and in the meantime the squad is working hard under Warren's close supervision to develop a championship team.

ALLEGED GAMBLERS PULLED.

Several Arrests Made at Yonkers for Violations of Anti-Betting Laws. Before the fourth race at Yonkers Wednesday the police and sheriff's men got busy, and several arrests were made. "Chicago" O'Brien, who has made a fortune playing horses to run third and taking very short prices, was charged with making a bet. Harry Shannon and William Allen were also arrested on a similar charge.

Will have a chance to explain their doings to the Yonkers grand jury at its next session.

Earlier in the day Eddie Ryan was sentenced to the reformatory, and so was Joe Blume. Peter Du day, who got into the track at all, and several others not so well known as those mentioned were shown the gate, and the sheriff and his deputies made it clear that no one in form will be tolerated in the meet.

BEAGLE CLUB MEET WILL BEGIN TO-DAY

Many Fanciers of Little Hounds Arrive at Chase City With Their Packs.

THE MECKLENBURG, CHASE CITY, VA., October 22.—Beautiful autumn weather has been a good forerunner of the National Beagle Club of America, which begins here to-morrow, to continue for four days.

Extensive preparations have been made for the welfare and comfort of the guests; a large number of horses have been provided for those who do not care to bring their own mounts. New kennels have been built for the accommodation of the visiting beagles.

Mr. Westwood, of Worcester, Mass., arrived on Monday, with the first installment of dogs, and was delighted with all the arrangements that have been made for the beagles' accommodation. There is already a large and representative attendance here, including Mr. J. W. Appleton, Mr. Ramsey Turnbull, Mr. G. M. Wharton, Mr. A. S. Burden, Mr. Grant B. Schley, Jr., all of New York; Dr. Ernest Lester Jones, of New York; Mr. James P. Van Dyke, Sunbury, Pa.; Mr. T. Dudley Riggs, Hartford, Conn.; Dr. Henry Dickerson, New Orleans, La.; Mr. Elliott C. At the close of the Beagle Hunt meet will be the great annual hunt of the Virginia-Carolina Fox-Hunters' Association, beginning November 4th, and lasting one week. Daily fox-hunts, free for all, will be introduced, besides the Derby and alkage stakes, which are prominent features of the meet. A large and congenial crowd is expected for these occasions, and many social pleasures will be among the charming features of the two weeks.

WAKE FOREST TEAM TO PLAY DAVIDSON

Under Hall's Efficient Coaching Squad Shows Marked Progress. Changes Prove Beneficial.

[Special to The Times-Dispatch.]

WAKE FOREST, N. C., October 22.—The football team is now improving rapidly, and it is expected that when they clash on the gridiron with the strong aggregation from Davidson, they will spring a surprise.

Captain Simmons, who was laid out in the A. and M. C. game, reported for practice to-day, and his presence adds greatly to the strength of the varsity. Leggett has been switched from end to quarter, and Duffy from quarter to end. This change seems to have greatly strengthened the team. Leggett, but only runs the team like a veteran, but he also makes some long gains on the quarter back runs.

Although this is the first team that Wake Forest has put out in fifteen years, it is rapidly developing into one of the fastest and strongest teams in the State, under the competent training of Coach Hall.

WINCHESTER FAIR A GREAT SUCCESS

[Special to The Times-Dispatch.]

WINCHESTER, VA., October 22.—Ten thousand people visited the Winchester Fair to-day, despite the threatening weather, and witnessed the races, cavalry drill, balloon ascension and other attractions. It was the largest crowd on the grounds for several years. The judges completed their awards in all departments, and the premiums will be paid in full. During the last hour in the trotting and pacing races, several of the best horses were running free-for-all race. Ray Wilkes, driven by W. L. Carper, fell near the home stretch, throwing the driver over the railing and smashing the sulky to pieces. The mare escaped injury. The usual quota of marriage licenses were issued to-day.

At the annual meeting of the stockholders of the Valley Turnpike, held in Woodstock, H. F. Byrd, of Winchester, was elected president of the road. Judge E. D. Newman, of Woodstock, treasurer, and D. B. Dinges, of Middletown, secretary. The following directors were also elected: S. H. Hartsough, Shirley Carter, E. W. Carpenter, Robert Eastham, D. R. Van Pelt, E. D. Newman, G. R. Harrison and C. W. Hester.

The Valley Turnpike Company owns the turnpike from Winchester to Staunton, a distance of 100 miles. It is perhaps the most important road in the State.

Belmont Apologizes. Through the board of stewards of the Jockey Club yesterday, August Belmont expressed regret that he made unjust and derogatory remarks to J. L. McGinnis, owner of the horse Frank Gill. Mr. Belmont had complained to Mr. McGinnis that Frank Gill, an added starter, interfered with the Belmont horse Fair Play in the autumn weight for age stake at Belmont Park Saturday. Mr. McGinnis appealed to the stewards and was to-day officially exonerated.

According to the testimony of the detectives he was caught in the act of taking a package of provisions from the wagon of a farmer standing before the store of William Henley, a Brook Avenue merchant. They say that one might as well throw his goods away as to leave them in a wagon in this vicinity. He was also positively identified by H. C. Boschen, a shoe merchant, as being the man who had escorted a woman into his store, who pretended to make a purchase while he made off with a pair of shoes. After the trial the negro was carefully measured, photographed and sent along.

HEINIE AND MOLLY ARE BOTH DRAFTED

Two of the Highlanders Called to Faster Company for Next Season.

"Heinie" Hessler, the Roanoke right fielder, and one of the most consistent batters in the Virginia State League, has been drafted by the Buffalo Club, of the Eastern League. Hessler, besides being a good stickler, is a fast runner, and few men are better on the bases than is the ex-Roanoke right garden keeper. If Hessler regains his wing a few seasons will see him in the big league.

"Molly" McMahon, the Highlanders' sorrel-top shortstop, is one of the fastest infielders who has played in the Virginia League. He, like Hessler, is an earnest, consistent worker and a quiet, gentlemanly player. Each of these two Highlanders has made many friends among the fans of the Virginia League circuit, whose good wishes accompany them into the higher baseball circles to which they have been called.

Mr. Mosby played the country "Rube" so well in Baltimore that he not only got into the den of the thieves, but at their party, captured Louis B. Matheny and his pal, and shot another thief, who escaped. He captured the cash, good and bad, and made a great hit when he returned to the hotel in Baltimore where he had first appeared as a "Rube."

INTER-PREP. TEAMS PLAY HERE TO-DAY

High School and Academy Meet at Broad Street Park for Gridiron Battle.

The third game of the Inter-Preparatory School League series will be played this evening at 4 o'clock, when Richmond Academy and Richmond High School get together on the Broad Street Park gridiron.

Both teams are in good condition and the contest promises to be close and exciting. Richmond Academy is heavier than the High School, but Captain Word's aggression makes up in speed and headwork what it lacks in weight.

The Academy team will use the same line-up they used against Randolph-Macon's second team last Monday, when they were defeated by the collegians by a 11 to 0 score.

The standing of the Inter-Preparatory School teams is as follows:

SNOW-STORM RAGING
Ten Inches Have Already Fallen, and Trains Are Tied Up.

WINNIPEG, MAN., October 22.—One of the worst snow-storms that ever occurred in the West is now at the height of its fury, and has demoralized the service of the Canadian Pacific and the Great Northern Railroads. The storm started night before last, and continues unabated. Ten inches of snow have already fallen, accompanied by a gale. Snow has filled railway cuts, and in many cases the snow is ten feet deep.

Canadian Pacific snow plows are hard at work, but little progress can be made until the storm ceases. The express from Vancouver and other Western points are stalled, while westbound trains are held up east of the snow region. No trains from the East reached Winnipeg to-day, and it is doubtful when they will get through.

The storm, which broke over Alberta Province Tuesday night, was wholly unexpected by the railway companies, and preparation was not made to receive it. The storm was blowing from the west, and was accompanied by a gale. Snow has filled railway cuts, and in many cases the snow is ten feet deep.

The Canadian Northern train left Edmonton at the usual time, where it was held up until near Islay, where it ran into a snow bank and stuck. Finally another train was sent to pull it out of the drift.

Hal Mosby, Post-Office Inspector, Makes Great Hit as "Rube."

Hal B. Mosby, post-office inspector, was at the Federal building yesterday on one of his regular official visits. To friends who had read an account of his luring roundup of one of the worst green goods gangs in Baltimore, which happened recently, he was merely laughed, and said such things were in the line of his duty as an officer and that he was ready for them any time.

Mr. Mosby played the country "Rube" so well in Baltimore that he not only got into the den of the thieves, but at their party, captured Louis B. CAN COMPANY LOSES

Carter's Estate Secures \$2,500 Damages for Elevator Accident.

Argument was heard before a jury in the Law and Equity Court yesterday in the suit of Robert Minor Whitlock, administrator of William E. Carter, against the American Can Company for \$10,000.

Carter was formerly employed by the Hasker & Marcus Burns Elevator American Can Company, and was injured by the collapse of an elevator on December 10, 1907, during the following day from spinal injuries. Alleging negligence of the defendant corporation in failing to keep the elevator in proper repair, the administrator sought to recover \$10,000. The jury returned a verdict last night awarding damages in the sum of \$2,500.
